May 22, 2018

Oberlin City Council
1 Morgan Drive
Oberlin, KS 67749

To the Attention of: Mayor Ladd Wendelyn
City Administrator Halley Roberson
City Council Members

I am writing on behalf of the Bargain Box Plus, 106 N. Beaver, Oberlin, KS 67740

The Bargain Box Plus was started by Ann Mines and Mary Lou Long in 1992. It was started as a resale shop, taking in donations of unwanted items and reselling them at an affordable cost to the Decatur County Community. The profits from the resale were then given back to numerous organizations and activities benefiting Oberlin and Decatur County.

The Bargain Box Plus has reached a point that it desperately needs to consider a larger Facility. With the small house and 5 storage units we have available to us, we find that we have no further room for expansion. We also need to reconfigure our operations for sales, security, ADA Compliancy, storage, and incoming donations as well as an attractive retail outlet store.

We are reaching out to the city council with the hope that they may be able to offer us some guidance, suggestions, and perhaps some city support in keeping the Bargain Box "alive" for the betterment of our community.

As you may know, the Bargain Box Plus is currently operated by a group of volunteers that have formed a board of directors that make the decisions for the Bargain Box Plus. There are no paid employees and all money goes back to local organizations and projects (after our operating expenses). The last few years we have generated an average of \$15,000.00 plus per year back in to the community and Decatur County.

We are in the hopes of being able to design our own facility by having our store, storage, and donation center under one roof. This is beneficial for both security and safety. We are on a "wing and a prayer" as far as doing this project. We feel confident that we would qualify for grant funds available to our community but was also in the hopes that the city & county might be able to give us some considerations for tax breaks, utility assistance, etc.

We look forward to an opportunity of visiting with you about any incentives and insights that the city might be able to offer us.

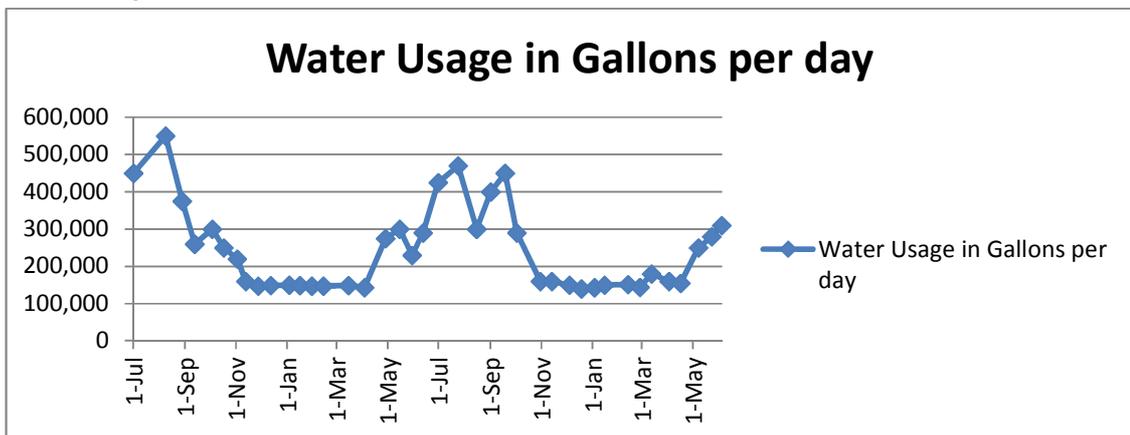

Sincerely,
Frances A. Miller & the Ladies of the Bargain Box Plus

Frances A. Miller

To: Mayor and Oberlin City Council

From: City Foreman David Sporn

1. Now that our big weekend is over, we will be focusing on catch-up. Some of the things we will have going on are spraying for weeds in streets, street painting, repairs from hail damage (street lights, ect.), and of course normal summer duties.
2. Alumni/Memorial and Pool opening weekend went well. I did not receive any phone calls about any city utility related issues, and I thought the town cleaned up and looked nice.
3. The Water dept. will be flushing fire hydrants from 10:00pm to 1:00am on Thursday June 7th and from 10:00pm to 1:00am on Thursday June 14th. During flushing you might notice open fire hydrants, water rushing down gutters, discoloration of water, lower water psi, ect. Symptoms like this are normal but if you notice a lasting difference with water service please contact us so we can address the matter.
4. Water Usage:

5. Permits:
 - a. Sewer permit, Michael Pochop, Methodist Church, for the repair of a sewer line
 - b. Building permit, Dave Schissler, 109 N. Martin, for new bld. construction
